

ZENGO

DENVER, CO

Zengo is a sophisticated blend of Latin-Asian styles and flavors. Chef Richard Sandoval, whose accolades include Bon Appétit Restaurateur of the Year and Mexico's Toque d'Oro, artfully spins Latin-Asian ingredients into colorful, beautifully balanced dishes designed for sharing. The beverage menu features innovative, hand-muddled cocktails as well as an extensive selection of wines, sakes and tequilas. The vibrant décor fuses traditional and contemporary tastes, the perfect setting to sample Zengo's acclaimed cuisine.

For your next event, customize a menu of Chef Richard Sandoval's Latin-Asian cuisine or choose from one of our party menus. Bar packages featuring creative cocktails and selections from our sake and tequila lists will complete your event.
